

DRESS CODE POLICY

Revised October 2021

Standard of dress and general appearance will determine the privilege of Members and their guests to use the course and facilities of NSW Golf Club, and shall be consistent with the dignity, standing and character of the Club. It is the Member's responsibility to comply with these regulations for themselves and their visitors.

The standard of dress shall be as prescribed in the Dress Code Policy, which will be displayed in the Clubhouse and illustrated on the Club's website.

Enforcement of the dress code is the responsibility of staff. Their determination is final and should be respectfully accepted without debate or further reference to other staff or Club Directors who may be present at the time. This courtesy applies regardless of the attire in question having been previously worn at the Club.

While not encouraged, golfers arriving at the Club for golf in non-conforming attire must proceed directly to the locker room to change.

Members arriving at the Club in non-conforming attire to collect their golf clubs should contact the Golf Shop and request that their golf clubs are left on the bag stand in the car park.
